

FCC REPORT- JANUARY 2007

January 8, 2007

Early Lunches- Most of the area school districts are so overcrowded that lunch periods have to be scattered, leaving the youngest children eating lunch shortly after breakfast. They in turn become hungry later in the day, and nutritionists fear that the children's schedule will be detrimental to their learning. - 6:00 p.m. Broadcast

Overcrowding in Schools- Schools on the Westside are extremely overcrowded to where there are not enough classrooms in the school buildings and most of the classes are set in portable units. Now the schools are coming up with ways to ease the overcrowding by providing less of a burden on the area high schools. - 6:00 p.m. Broadcast

Education Matters- Student Dance Program- A program in the Las Cruces School District whereby the students are getting more discipline by enrolling in after school dance programs. 5:00 p.m. Broadcast

January 11, 2007

Juilliard String Quartet- The infamous World renowned Quartet visits El Paso to provide education and outreach to schools about music and their upcoming performance in El Paso. 5:00 p.m. Broadcast
